

High School High

High School Dance Groups share their talent and passion with other dancers from all over B.C at the most exciting HIGH SCHOOL Hip Hop Dance Competition of the year! Our Second Annual HIGH SCHOOL HIGH will be held at the state of the art River Rock Show Theatre in Richmond B.C. on February 4th 2010.

Last year's competition was remarkable! There were 15 High Schools, 25 teams and over 300 fantastic performers who had the chance to perform on River Rock Theatre stage; join in the workshop with the professional choreographer; watch guest performances, meet, watch and learn from other performers; and take home prizes and scholarships!

Here are some of the comments from last year's event:

"...my students had the time of their lives...liked how they got to do a little dance workshop at the end...it helped to break down... barriers between the dance groups" "...wonderful and well-organized dance competition...dancers LOVE their prizes!"
